THE democratic nominees for State of fices met in Louisville a day or two ago and agreed to ask the State central com. mittee to eliminate the currency question from discussion in the campaign, as it has been settled so far as the party is concerned by the action of the convention. That the question has no proper place in this canvass we readily agree, but the candidate who does not heartily acquiesce in the decisions of his party and who does not hold himself in readiness always to uphold and maintain the principles which it enunciates, is not worthy of the support of the party. > Buying Beauty.

"If I was only good-looking," is the wish of many a woman to-day.

It never occurs to most women that there is a beauty obtainable at little trouble. It is the beauty of rosy cheeks and ruddy health. Most women lose it through indigestion, biliousness, disordered liver,

etc.

If you want to transform a sallow com If you want to transform a sallow complexion into the glow of health you can do it by cleansing the system from impurities and causing the liver to work effectively. No single medicine can accomplish all that is needed. A liver pill will merely arouse the liver; it will not purify the blood, or repair the waste, or tone up the system. For this you must follow your liver pill with some powerful, invigorating tonic.

The best, and also the least expensive preparation, is Ramon's Tonic Liver Pills and Ramon's Tonic Pellets. You get these two medicines in separate boxes at the cost of one-only 25 cents. Your druggist will tell you that this is a sure cure for biliousness and constipation.
